

Spectralink 7502

Handset Accessories

Cost-effective and flexible DECT solutions

Spectralink 7502 wireless handsets provide a cost-effective, highly secure and reliable wireless telephony solution that helps improve employee productivity, mobility, and reaction time. With accessories, the capabilities of these DECT handset solutions can be further maximized.

7502 ACCESSORIES

Leather Pouch

- With handle or connector for Belt Clip
- Protects the handset from dust, water and scratches

Belt Clip

- With Belt Clip connector
- Easy to clip on and off the handset
- Note: The Belt Clip and mounting screw are included

Chargers

- AC powered Single Charger with or without USB connection
- AC powered Dual Charger without USB for charging one handset and one battery
- The charger with USB port is used only for maintenance and service (i.e., for upgrading handset firmware)

About Spectralink

Spectralink delivers secure, cost-effective mobile communication solutions that empower enterprises to streamline operations, increase their revenues and deliver a positive customer experience - each and every time. Since 1990, Spectralink has deployed millions of devices worldwide across the retail, healthcare, hospitality and manufacturing sectors - providing workers with the industry's most efficient, in-building communications.
